

Qualificatifs (subheadings) dans Embase et MEDLINE			
Note :			
Vert (GRAS) indique que les deux qualificatifs ont la même signification			
ROUGE (ITALIQUE) indique que les qualificatifs diffèrent même s'ils ont le même code			
Embase		MEDLINE	
		aa	Analog and Derivatives
		ab	Abnormalities
AD	Drug Administration	AD	Administration and Dosage
AE	Adverse Drug Reaction	AE	Adverse Effects
		ag	Agonists
		ah	Anatomy and Histology
		ai	Antagonists and Inhibitors
am	Adverse Device Effect		
AN	Drug Analysis	AN	Analysis
ar	Intraarticular Drug Administration		
bd	Buccal Drug Administration		
		bi	Biosynthesis
		bl	Blood
br	Intrabronchial Drug Administration		
		bs	Blood Supply
bu	Intrabursal Drug Administration		
ca	Intracavernous Drug Administration		
cb	Drug Combination		
ce	Intracerebral Drug Administration		
		cf	Cerebrospinal Fluid
		ch	Chemistry
CI	Intracisternal Drug Administration	CI	Chemically Induced
cj	Subconjunctival Drug Administration		
CL	Intracameral Drug Administration	CL	Classification
cm	Drug Comparison		
CN	Congenital Disorder	CN	Congenital
CO	Complication	CO	Complications
cr	Drug Concentration		
		cs	Chemical Synthesis
ct	Clinical Trial		
cv	Intracerebroventricular Drug Administration		
		cy	Cytology
dc	Device Comparison		
DE	Device Economics	DE	Drug Effects
		df	Deficiency
		dg	Diagnostic Imaging
		dh	Diet Therapy
DI	Diagnosis	DI	Diagnosis
dl	Intradermal Drug Administration		
dm	Disease Management		
do	Drug Dose		
dr	Drug Resistance		
DT	Drug Therapy	DT	Drug Therapy
du	Intraduodenal Drug Administration		

Embase		MEDLINE	
dv	Drug Development		
EC	Endogenous Compound	EC	Economics
		ed	Education
		eh	Ethnology
ei	Epidural Drug Administration		
		em	Embryology
		en	Enzymology
EP	Epidemiology	EP	Epidemiology
		es	Ethics
ET	Etiology	ET	Etiology
		gd	Growth and Development
		ge	Genetics
		hi	History
ia	Intraarterial Drug Administration		
ic	Intracardiac Drug Administration		
ig	Intragastric Drug Administration		
ih	Inhalation Drug Administration		
il	Intralesional Drug Administration		
IM	Intramuscular Drug Administration	IM	Immunology
		in	Injuries
io	Intraocular Drug Administration		
IP	Intraperitoneal Drug Administration	IP	Isolation & Purification
		ir	Innervation
		is	Instrumentation
it	Drug Interaction		
iv	Intravenous Drug Administration		
li	Sublingual Drug Administration		
		lj	Legislation and Jurisprudence
ly	Intralymphatic Drug Administration		
		me	Metabolism
		mi	Microbiology
		mo	Mortality
		mt	Methods
na	Intranasal Drug Administration		
		nu	Nursing
oc	Periocular Drug Administration		
		og	Organization and Administration
os	Intraosseous Drug Administration		
PA	Parenteral Drug Administration	PA	Pathology
PC	Prevention	PC	Prevention and Control
PD	Pharmacology	PD	Pharmacology
pe	Pharmacoeconomics		
		ph	Physiology
PK	Pharmacokinetics	PK	Pharmacokinetics
pl	Intrapleural Drug Administration		
PO	Oral Drug Administration	PO	Poisoning
		pp	Physiopathology
pr	Pharmaceutics		
		ps	Parasitology
pv	Special Situation for Pharmacovigilance		
		px	Psychology

Embase		MEDLINE	
		py	Pathogenicity
rb	Retrobulbar Drug Administration		
rc	Rectal Drug Administration		
		re	Radiation Effects
RH	Rehabilitation	RH	Rehabilitation
rp	Regional Perfusion		
RT	Radiotherapy	RT	Radiotherapy
sb	Sublabial Drug Administration		
SC	Subcutaneous Drug Administration	SC	Secondary
		sd	Supply and Distribution
si	Side Effect		
		sn	Statistics and Numerical Data
sp	Intraspinal Drug Administration		
		st	Standards
SU	Surgery	SU	Surgery
TD	Transdermal Drug Administration	TD	Trends
TH	Therapy	TH	Therapy
tl	Intrathecal Drug Administration		
TM	Unexpected Outcome of Drug Treatment	TM	Transmission
TO	Drug Toxicity	TO	Toxicity
tp	Topical Drug Administration		
TR	Intratracheal Drug Administration	TR	Transplantation
TU	Intratumoral Drug Administration	TU	Therapeutic Use
ty	Intratympanic Drug Administration		
		ul	Ultrastructure
UR	Intraurethral Drug Administration	UR	Urine
ut	Intrauterine Drug Administration		
va	Intravaginal Drug Administration		
VE	Intravesical Drug Administration	VE	Veterinary
VI	Intravitreal Drug Administration	VI	Virology
Vicky Tessier, 2018-03-05 - Màj 2023-08-22
